

GEOINNOVATION SUMMIT

Data Privacy & Media Consent Policy

Presented by Geofintech Resources Limited — applies to all attendees, speakers, exhibitors, and partners

1. Purpose

Geofintech Resources Limited ("Geofintech", "we", "us") is committed to protecting the privacy of everyone who registers for, attends, speaks at, or exhibits at the GeoInnovation Summit ("the Summit"). This policy explains what personal data we collect, how we keep it safe, and how photographs and video footage taken at the Summit may be used. By registering for or attending the Summit, you acknowledge that you have read and understood this policy.

2. Who This Policy Covers

This policy applies to all individuals who interact with the Summit in any capacity, including:

- Registered attendees and delegates
- Speakers, panellists, and facilitators
- Exhibitors, sponsors, and their representatives
- Partner organisations and their staff
- Members of the press and media covering the event

3. The Data We Collect

We only collect the personal data needed to plan, run, and follow up on the Summit.

Category	Examples
Registration details	Full name, job title, organisation, email address, phone number
Event participation data	Session attendance, badge scans, Q&A submissions, feedback forms
Exhibitor/sponsor details	Company name, booth assignment, contact person, logo/branding assets
Photographs & video	Images and footage captured during sessions, networking, and exhibition areas
Payment information	Where applicable, processed securely through our payment partner — we do not store full card details

4. How We Protect Your Data

Your data is held securely and is only accessible to the Geofintech team members and approved Summit partners who need it to deliver the event. Specifically:

- Registration and contact data is stored on access-controlled systems, not shared publicly
- Data is only shared with third parties (e.g. venue, printing, or logistics partners) where strictly necessary to run the Summit, and under confidentiality terms
- We do not sell your personal data to any third party
- We handle your data in line with the Nigeria Data Protection Act (NDPA) 2023 and applicable data protection regulations

5. Photography & Video Consent

The GeoInnovation Summit is a public professional event. Official photographers and videographers will be capturing sessions, keynotes, panels, networking moments, and the exhibition floor throughout the event.

By attending, you consent to being photographed or filmed, and you agree that Geofotech may use your image, likeness, and voice captured at the Summit for the following purposes:

- Post-event recap content (highlight reels, photo galleries, blog posts)
- Promotion of future editions of the GeoInnovation Summit and related Geofotech events
- Geofotech's website, social media channels, newsletters, and marketing materials
- Press coverage and media partnerships related to the Summit

We will not use your image in a way that is misleading, defamatory, or unrelated to the Summit. If you prefer not to be photographed or filmed, please inform our registration desk or any Geofotech staff member on the day, and you may request a "no-photo" wristband or badge marker so our photography team can identify and avoid you.

6. Your Rights

You have the right to:

- Ask what personal data we hold about you
- Request a correction to inaccurate data
- Request that specific photos or videos of you be removed from our future marketing use, where reasonably practicable
- Withdraw consent for future communications at any time

To exercise any of these rights, contact us using the details in Section 8.

7. Data Retention

Registration and contact data is retained for as long as necessary to manage the current Summit and, where you have opted in, to invite you to future editions. Photographs and video footage may be retained and used indefinitely for archival and promotional purposes, unless you have requested removal under Section 6.

8. Contact Us

For any questions about this policy, or to make a data or media request, please contact:
